GRAND NICOLET
VIN DE FRANCE

Color : Rosé

Soil :

Sandy soil – limestone

Grapes :

- 60% Grenache
- 20% Syrah
- 10% Carignan
- 10% Cinsault

Age of vineyards :

Grenache 40 - Syrah 20 - Carignan 30 - Cinsault 30 years old.

Yield : 32 hectolitres per hectare

Viticulture :

We are in sustainable agriculture by favoring the work of the ground, using organic fertilizers. We use a minimal quantity of treatment product in order to improve the expression of the leaf surface to favour the grapes maturity.

Vinification :

Harvest by hand. Direct press and fermenting at low temperature. Ageing in vat and bottling in February which follow the harvest.

Time to keep :

In order to keep the freshness and the fruit, to consume till next summer 2024!
